

Here's what our clients
have to say...

"Senior Solutions came highly recommended and now we highly recommend Senior Solutions! Our caregiver's demeanor, patience and specialized skills are exemplary."

John D. | Allentown, PA

"I live more than an hour's drive from my parent, and Senior Solutions has provided the staff and help to take care of my loved one from a distance. I couldn't do it without them!"

Fred H. | Philadelphia

"After I fell and broke my hip I thought things would never be the same. My daughter engaged services from Senior Solutions to help me manage the house, cooking and some personal care needs. I've recovered 100% and am back to doing everything I did before my accident... thanks to my caregiver from Senior Solutions."

June B. | Pen Argyl, PA

"We value Barbara's visits to our Mom. She is more than just a caregiver in our eyes. She goes above and beyond to make sure my mom is well taken care of."

Ken S. | Allentown, PA

★ Care Management Services

Our Aging Life Care Professionals™, also known as CARE MANAGERS, are professionals who have extensive experience and knowledge of the aging process and related challenges. Senior Solutions' Care Managers are social workers and nurses who assist clients, client family members, and responsible parties with complex situations involving health, advocacy, legal issues and legal resources, housing and long term care living, education and crisis intervention. We provide comprehensive, professional care management assessments and can assist in the following areas:

- ★ Provide guidance and education to clients and their families regarding long term care planning.
- ★ Provide medical management by attending physician appointments, facilitating communication and monitoring adherence to medical instructions.
- ★ Provide family caregiving coaching.
- ★ Act as a liaison to families at a distance.
- ★ Identify and engage community resources, provide consumer education and advocacy.
- ★ Evaluate older adult living alternatives.
